### SCUTHERN'S NEW TERMINALS.

Great Improvements to be Made at Pinners' Point,-The Official Cir-

THE NEWS has frequently mentioned the fact that the terminals of the Southern railway were to be changed about the first of July.

An official circular of the South ern this morning says: The division changes and improvements above referred to are as

Washington, D. C., to Monroe Va., a distance of 168 miles Monroe, Va., to Spencer, N. C.,

listance of 166 miles. Spencer, N. C., to Greenville, S. J., distance of 154 miles. Greenville, S. C., to Atlanta, Ga

distance of 161 miles. These changes in Division terminals will necessitate the expenditure of about \$25,000 at Monroe and \$30,000 at Greenville, and will enable operating the line in four divisions of practically equal dis

The principal advantages to be derived from these changes will be in the saving of time, especially in freight movements, a better division of work among the men, and a concentration of forces at "lay-over"

At Pinners' Point the Southern Railway has already two wharves, one 196 by 800, and the other 272 After the election of officers, at by 800 feet. An additional wharf, 12:45 o'clock, a recess was taken 270 by 800 feet, will be built, giving a total wharfage of 738 by 2,400 Four companies now guard the jail

Of freight sheds there are threeone 190 by 700 feet, and one double shed 260 by 400 feet. A new shed eight having been instituted and two 252 by 700 feet will be added, giv forfeiting their charters the past ing a total capacity of shed room of 413,400 square feet.

To accommodate the existing business, there are 37,000 feet of track in yard, to which will be added 32,-000 feet, making a total length of will be increased to 155 cars.

There will also be added a log shed for export timber 90 by 170 feet, besides a cotton warehouse 80 | bride. by 400 feet, and a cotton compress 40 by 60 feet, and the necessary repair and machine shops, electric Catlett in his annual report reviews light plant and are service, offices,

The total cost of the projected mprovements for this year will be September 1, 1897. Under the new arrangement 20 freight steamers can load at the wharf at the same time. Since the Southern Railway Com pany has been in possession of this property at Pinners, Point, its business capacity has been increased about six fold.

### FEDERAL COURT OPENS.

### A Long Docket and Many Visiting Lawyers Present.

The regular June term of Federal court opened Tuesday afternoon at o'clock, Judge R P. Dick, of Greensboro, presiding. Owing to the lateness of the train on which Judge Dick arrived there was no morning session and the formal opening of the court took place this afternoon. At the hour of going to press the call of the docket was still in pro-
